

Settle Down Lighten Up (lyrics) (parenthesis are extra thoughts)

Hook:

Settle down lighten up confusion doesn't make a nation

Settle down lighten up stop the drama agitation

Settle down lighten up (2 times)

Verse:

Universal truth not flesh it's unseen

Something to Believe In represent One Team

Enough of the snits to control the world "That's meannnn :0"

This thing between our ears thinks clear, Us G's (peace to "Sky-high-atrist"

"Got your mind in a bearhug" "What's goin on. Yo. Chill chill"...

"Geeeeeee", and "Freedom Jazz" :o)

Hip hop across the planet tuned to the We

Retreat into our Fellowship pray the People free

Live and Let Live within the peace how we see

Closeness maybe conflict but we're always family

We don't mind ourselves or anyone else love verse

(Keep resting and pooping ...and have an apple/banana for us :o)

Word is bond Spirit to-win first things first

Fight the hatred in the right way break a curse

Twinks jokes remember the Civil Rights Multiverse

(Peace through music)

Are meaningful poetic lens light to confusion
Celebrate the genuine teaches drama snoozin
G.O.D. Progressive true words that we choosin
If they respected Owl in love it wouldn't be delusion
(if they knew that love was the truth, like we do in
our Fellowship over these many years, then it
wouldn't be delusion...so we can just pray for the best...
it's all going towards the good)

Hook:

Settle down lighten up confusion doesn't make a nation
Settle down lighten up stop the drama agitation
Settle down lighten up (2 times)

Verse:

Since the world is closer everyday humor in our differences
One Faith of love, not dwelling on religiousness
Cover up or not God within every instances
Every "Little Nook" :o) to heal cultural magnificence
(every story has its own special funny things that we can bring loving light to...
if the world lets us share, but so much of it is political tantrums drama (lots of love)
and asserting opinions and Persuasions... it's going to have to take time)

Onward and upward in the changes life songs
Everybody's special the lies a footstool then gone

Celebrate the love Wu Wei Shine On

Earth deserves a better deliberation word bond

It's all been preparation see the end and we begin

Healing Quantum truth energy from within (Tao Quantum physics)

Lie deserves the next so be cool one kin

We said it before but here's more while we in

The world is all up in it now collective People's mind

Victory is in the surrender all in God's time

Expression is a Consciousness we love and remind

When they get to 26 shed some light one kind

Hook:

Settle down lighten up confusion doesn't make a nation

Settle down lighten up stop the drama agitation

Settle down lighten up (4 times)

Outro: Peace Giving thanks to "Stronger Together", Good Luck and Godconfidence :o)

Peace to "That's our way of expressing things" and bodily functions ain't no thang, we're all dealing with life....Reespect....take your time...Peace to "have a night away" ...Love and gratitude to making Something outa nothing and not nothing out of something (somebody else's something is something to that Person...)...and thanks to all the Leaders across the Globe who make sure there are music stages at peacefull protest events so that there can be Art. It brushes the dust off of every day life. Let's be encouraged. Peace
