Seek the truth, with Team One Patriots

Bounce, a little head nod, bounce (four times)

Outro:

**Peace. Quantum universe is 1 time zone, the rest is relative (if U dig 🌟)... peace...lie and deny will need to choose love to live (at some point)...and Rapture spiritual laws hold true, through the ages. We are witnessing truth. And those "sleeper demon calculations" cause crisis and tries to say that it saves, it says the people are the enemy? The glitch liar is the true enemy... the questions are answering themselves... as a spirit threads through the flesh (with love of course 🌟❤️, yup the lyrics are our little "love note" and express to share with U, if U dig. Team One foreveh).. teaching love and peace to heal the "day to day". One Love is truth. Peace.**
