Outro:

Peace to "KB9". And Peace to "Ian Sutra". As well as "Mutual Appreciation" - Hydrate, Train and we'll keep healing from the world. Word is Bond. Peace. To some of us, "He put up a good fight", to others of us, "He was just cruisin along with us". And remember, Election 24 is the same as it was in history, its another watershed moment of love versus hate. And it would help if the media took the focus off "Unreconciled Autocratic Baby Rattles", and bring light to the Children and the Families. What's the Good Word. A genuine and sincere love for Families and the Brethren, is the Good Word. We give thanks to "Hummingbird Fellowship". "Ancestor Airsupport". They are sitting with us, and we are also sitting with them. And there's truth in the saying "youth is wasted on the young", chasing the 5 senses...let's focus on Senior Dignity. Respect. And peace to the Real Spirit of Love testimony. Not just recreational church social hour. God is love. We just get surprised when "Dis for Dis sake" tries to claim church. Let's Wise up. Peace.
