

Peace. Here are the charts for the NY session open, 1-15-26. Took a losing trade, yet it was a valid setup (price tested the 15 min opening range low, 5 min candle closure rejected the low, and there was a 1 min FVG/IFVG closure). Tah dahhh. The chat with the AI Trade Assistant was excellent. I am learning along. Lots of notes on the charts as usual. Much love. Peace
