

Brotherly thoughts on Life Motivation

1) The Word of God

Speak faith out loud daily to yourself...things happen, just like it did for Jesus...motivate...

Peter 3:15 ...always be prepared to defend your faith/hope with kindness...nobody's perfect...remember humility....do yer best, let God do the rest

Phillipians 1:15 ...some preach from rivalry, others from goodwill...know which one you are doing...it's about peace..

Prayer puts the spirit into our molecules...we need the anointment, so God can work through the people around us...when people are not focusing on the peace at church, it sabotages the peace of the faith/word...peace

God hears us all the time, check yer faith of the knowledge of his presence...

We are not “peddlers of the word” or “written tablet” enforcers...the hope is written on our hearts, and the love is what knits all of us together...

**We are all the apple of his eye...God’s children...
God is the only one who can change people, all we can do is plant seeds. We get credit for anything...trying to help a person who will not motivate, is a potentially never ending effort, so plant seeds, and chug along like a train...
In the spirit....Give God the glory, thanksgiving is a healing balm...Attitude of gratitude...**

Just like when Jesus instructed his disciples who were going town to town, brush off your shoulders...if people don’t show you respect...don’t receive that...

If someone says you HAVE, to do something at a church, remember that God wants you to be at peace and do things within reason of your comfort...he needs us well to further the love...one kingdom..

Just like on the plane, put your oxygen mask on first, then another’s...

Boast in the Lord...give God the glory...but no need to be pushy to people...that turns folks away from the word...time and time again...love is patient and kind..

The devil is “kill, steal and destroy”, so “church testers” are real dangerous to our peace...

Fellowship is church is peace...that’s that...

We all have our own little relationship with God...respect another’s peace in that...don’t try to run someone over with your own idea of what that is...peace...

Patience in learning things...a little bit every day...enjoy the discovery...

God is a progressive God, faith and grateful expectancy...expect God’s favor...Faith is freedom...we can thank him in advance for his blessings...

Process, enjoy the process of your chosen project

What is the chosen project, to help you feel full...a meaning...a way to help the mind, which is living and needs attention...a goal is where the mind and body meet...

Motivate...every little bit counts...no pressure...we can take a horse to water, but can't make them drink...

Don't get discouraged...process is the joy...the journey is the reward...

Follow through...it comes from within...we have to motivate ourselves...don't expect someone else to...

God is holding our hands every day....24/7

**Don't blame other's for not helping to motivate...
Or anything else, unless it's a major issue that is bothering you flow...that's harassment...church or workplace...**

God's silence is his confidence in us...

Prioritization and time budgeting...

Check yerself before you wreck yourself...

If you need help, pray for the strength to get help....people are not mind readers....

**Paul was single...and thank goodness he just did his thang...we are all blessed because of that....God is good.
Romans 8:28**
