

Under Siege

Intro:

**Peace you guys, we all know who we are
And that's what important and that goes
deep. Keep it real and true. Love yourself.
PEACE.**

Verse 1:

**Pressure cookers in our faces Celebrity angst opening cases
Set it straight for favorite sleepers they even try to get me faceless
I ain't playin' still were sayin' don't forget the link is wasteless
TrueHoppers use the last challenge to build strength patience**

**Married to the music brings us peace spiritual feast still
Blasting beasts so don't swim in the anger danger sneaks
Is why we teach so love will last beyond the recent past
Peace from Casper High Velocity faster Peaches preach**

Social media on the surface getting' bleedyah

Nothin' new ta me talkin' unity all ova tha studio

Industry relationships love y'all no big deal

Rap is functional friendly media

So don't be afraid to drop the hype for hope selfish

Bout' the 4 is pushing hate lying bar stripes ta cope

It's a story we can learn from, never envy or compare son

Just be confident the air won

Chorus:

Under Siege, let me be, gotta get free

Away from the anger, clear the energy (4 times)

Verse #2

**Since I have a chance to say what's up to the people
Who stayed true Happy Holidays how you like is cool
Carry on eat shit rest motivate lighten up nobody's fool
Keep Keepin' on is the rule**

**(it's been) quite a time with all the attention so much has been
dissention, that means arguments we need to mention
Freedom was our point still a peacemaker went out of my way
Guided by the light our love of brothahood henchman**

**Witnessing the outro another phase offered air support to raise
and turn the page for B and Johnny Blaze
No end in sights quit the fights the devil uses to distract
From the final stage here's the quiet rage**

**Really all love because it has to be peep the Fellowship tribes free
Eternal connects life diversity
Even from a distance we insist this as Infinite Labs Team Camp
Chill Peace Crew rinses**

Chorus:

Under Siege, let me be, gotta get free

Away from the anger, clear the energy (4 times)
