

Let it Rest (lyrics)

Intro: brotha....(echo)

Verse 1:

**These raps are for the mental crates and everyday's a battle pace
Ourselves for strength we recollect the seeds we plant to place
We man up to the word to protect the children teach to brush
Our shoulders off not to hate and the time is already late
Rappin skin cards is reactive or it's centric we're global
So we need more than the score or somebody's fate
That's right Brian keep it real man of steel celebrity angst
Back on the stuff choppin rhymes and not on a plate**

Hook:

**Let it rest....all right all right (4 times) break
Let it rest....all right all right (4 times)**

Verse 2:

**Running games drama queens don't even try ta test our team
But it's expression so express and learn the lesson so serene
Triangulation was real still is Cliff, Me, and Trevor
Just believe that we're strong, or whatevah
Sword in the sand wheelchairs took a stand to care
Still do, make a wish, and feel better
Cool beats respect the streets Lion saves through football cleats
Building men responsibility trend setter**

Hook:

**Let it rest....all right all right (4 times) break
Let it rest....all right all right (4 times)**

Guitar solo...

Hook:

**Let it rest....all right all right (4 times) break
Let it rest....all right all right (4 times)**

Outro:

**God wants us to know that he is above all of us. His silence is his confidence
in us. One day at a time. Peace**
