

Hearts and Minds

Chorus

Hearts and minds, just kickin' it time,  
sittin' with this rhyme, don't mess with the line (2 times)

Hearts and minds just kickin' it in time  
Sittin' here with this rhyme don't mess with the line  
Follows the line sentence momentarily their prime to expose what we compose  
Never seeking any sign

Calm it down gotta chill with creativity relax and renew checkin' beef causes liberty  
For freedom for the rest, that's our very best  
To cultivate the love piercin' through the top and no less

Long time from knuckle scabs all for solidarity  
Pleadian Sirian a new kind of unity we hustle up whatever we do  
Pay no mind vocabulary laboratory allegory all a peace of history

Don't forget the Drum n Bass folks hope skates ta cope R A dub cartoons  
Smashin' hater to the ropes  
To learn respect we pray they do it finally for transental harmony  
Over beats (beat box) in the notes

**Chorus**

Hearts and minds, just kickin' it time,  
sittin' with this rhyme, don't mess with the line (2 times)

**Verse #2**

Too much critical is never healthy for the physical  
We are truly what we think so it ain't only mythical  
We need to live that's right co-exist yes, we're chillin still  
Like the moment past excuse while we're lyrical

Let the children build they need the space without the stealer kill  
No excuse just let em be and while the keeper's real  
Bless we address the test with truth it won't deny oblivion breathin' down our necks  
It bothers and reflects

Don't forget...(echo) Devil hissy fits for beef seekers walkin' into checks  
Temporary tricks, we truly hope this time it sticks  
The love's what it wrecks out of time...what's next (echo)  
Same drama different batch no offense so we can peace  
We know we workin' with the cash havin' a blast  
Thanks Ju respect to every crew we're built to last This time for all ages chill or step back

**Chorus**

**Hearts and minds, just kickin' it time,  
sittin' with this rhyme, don't mess with the line (2 times)**
