

3:48 We All Deserve a Piece

Intro: Hey...hey...hey...☺

**Let's lift it up, we all deserve a sense of humor right now, everyday,
anyday...peace...**

Hook:

**We all deserve a piece, see it what it is, Keep yourself from
trouble...handle all your biz, prayers for the kids, still on the double
(repeat)**

Verse 1:

**He who keeps his mouth and tongue keeps himself from
trouble but we have to truth to power for the Spirit and the
Doubles Twinies, Trios, 4's, winnies loses zerosums n levels
Watch the originals take the lead angels workin with the devils**

Comparin' Brothaz is 4 Unity is 3

**Keepin' him from getting' his the clarity is free to be
philosophy**

What it needs so it can see some freedom mental dealth

Awareness W.E. is me survivng all of us prosperity

Push em' back until it clicks he's it he's that the running snits

The carrying on it's that it's this everyday the famous fits

Loyalty family riots intentional keep it lit and don't forget

The people every bit

They turn/ positive to negative teachin' sleepers like a sedative

**Lettin' hatred burn it takes a turn somehow before we let it
live**

Light the fakes they hate we break it down for Heaven benefits

Join together for our peace of mind energetic lips

Hook:

**We all deserve a piece, see it what it is, Keep yourself from
trouble...handle all your biz, prayers for the kids, still on the double
(repeat)**

Verse # 2

**Zap em' off tha bridge it ain't a bridge a wake up call for future
Kids, to clear the chafe from wheat the lie retreats from all the fibs**

**Hell with all the hell they said it long ago before it fell from truth so
many hearts will never live a story to tell**

**E.V.I.L. no matter how we slice it treasures in Heaven written it off
for peace, so why they keep him silent?**

**So comparisons perpetuate the greed the same historical is violent
silently unearth the truth to be reminded**

Don't you think that we should say something for the best?

Cuz even industry wants to censor what it is for death

**Detach the leech freedom of speech a longer reach the sprit teaches
bless-ed things, we pray for people ta rest**

Outro:

We just wanna give a shout out to all the open minds out there...for all these years...we meet in the center, which is peace through music...I love...a shout out to “Movin’ 39” and “...as long as it’s got a beat to it” ☺ and Remember speak truth to power...the enemy is like a splinter, that oozes out a little bit more and more each time...I love...peace

Hook:

We all deserve a piece, see it what it is, Keep yourself from trouble...handle all your biz, prayers for the kids, still on the double (repeat)
