Peace 2014

The other team chose to push the unenlightened (please) portion... that'll be enough... step to the side... but

offer your resources

## Rhythm Changes

Thank you

Think of change as God moving things around

Like we said we love a... its purple here though not division

What is was was "2 for the cash" now lets see if home up I love ed do it right!

Can we all agree its not about division and oppression now?

because Romans 8:18 "It's all to the good"

Leaders have to try to make peace right?

The way is the biggest "jump" ever

All the School was to combat the ignorance... right? Someone you know is boasting they went (traveled) somewhere...? or is it just a claim in blab. Ask them what they learned from the culture/place. Anything to share in the brotherhood/sisterhood?

The Good and shabby don't mix folks... so lets reassess the message here (2)  
**Plant seeds of musical hope... every bit counts...**

Everlasting  
 Peace  
 2014

Let's be  
 Leaders

**Rhythm Changes**

Don't let the shees  
 do that to you

All this is  
 to provide ideas  
 to be able to jam  
 with  
 respect  
 to whom it  
 may concern  
 you may not  
 ever know or  
 see us  
 but you'll  
 be watched  
 and exposed  
 as  
 we go on  
 so be  
 cool  
 all of us

 They claim "for the people"
